

## Planting Help

This is to document the planting plan discussed at our membership meeting on March 16.

First let me make clear that any of our members are welcome to join us in the Glen any day that planting is taking place.

Second, as discussed, in order to make sure we get started while Urbani is still working, I set up two groups, one for Saturday, April 9<sup>th</sup> and one for Sunday, April 10<sup>th</sup>. In so doing I tried to accommodate what I thought would be best for everyone. The listings can be changed, just let me know what you want.

And third, on weekends from April 16<sup>th</sup> to May 8<sup>th</sup>, I will call people and ask for help on a specific day. If you can volunteer, great, if you can't, not to worry, we'll find someone who can. I do not intend to burn anybody out; I know it's fishing season. There may be a few mid-week occasions when I ask for a little help from retired guys.

Finally-

Planting sessions will be four hours; from 8:30 to 12:30.

Volunteers are asked to bring:

- A snack
- Gloves
- Any protective gear such as goggles that you might want
- Low boots (If you have them)
- Tick Spray (optional)
- Sun Screen (optional)
